David Bowie

1. Talking it all the right way
Keeping it in the back
Talking it all the right way
Never no turning back
Never need no
Never no turning back

 2. Flying in just a sweet place
Coming inside and sail
Flying in just a sweet place
Never been know to fail
Never been no
Never been know to fail
- R: Wishing you, wishing that sometimes
Doing it, doing it right, 'til one time
Gets you when you're down
Ahhh, sometimes, doing
Wishing sometimes
Up there, up there
Oh my darling
Ah, my darling, ah why?
Gimme, gimme, up there, gimme, doing
Talking with me
Loving it, doing it 'til one time
