

## (Segue) – Ramona A. Stone/I Am With Name

David Bowie

I was Ramona A. Stone  
I started with no enemies of my own  
I was an artiste  
In a tunnel

But I've been having a mid-life crisis  
And I've been dreaming of sleep  
And ape men made with metal parts  
I've spat upon deeply felt age

I've hid my hearts in  
And I hate the funny colored English  
We'll creep together, you and I  
For I know who the small friends are

I am with name, I am with name  
I am Ramona A. Stone  
A night fear female, good timing drone

I am with name, I am with name  
I am with name, I am with name  
I am Ramona A. Stone

She should say  
Twitch and stream, it'll end in chrome  
The night of the female  
Good time drone

I am with name  
I am Ramona A. Stone  
She should say

I am with name  
I am Ramona A. Stone

A person who loses a name  
Feels anxiety descending  
Left at the crossroads between the centuries  
A millennium fetish

I am with name, I am with name  
I am Ramona A. Stone  
I am with name

Night fear female, good timing drone  
I am with name  
I am Ramona A. Stone

(Give it to me one more time)  
Anxiety descending
