

# Shake It

David Bowie

I feel like a sail-boat  
Adrift on the sea  
It's a brand new day  
So when you gonna phone me

I could take you to heaven  
I could spin you to hell  
But I'll take you to New York  
It's the place that I know well

Sitting on a flagstone talking to a faceless girl  
And I wondering what to say but my eyes do the talking so well

Duck and I sway - what's my line  
Shoot at a full moon - what's my line  
So what's my line - shake it baby

'Cause love is the answer  
Love's talking to me  
I'd scream and I'll fight for you  
You're better than money

We're the kind of people who can shake it if we're feeling blue  
When I'm feeling disconnected well I sure know what to do

Shake it baby  
Ah shake it shake it  
I duck and I sway - what's my line  
I shoot at a full moon - what's my line  
So what's my line - shake it shake it baby  
Shake shake it  
Shake it baby  
Shake shake it  
Shake it baby  
Shake it shake it
