Stone love - she kneels before the grave
A brave son - who gave his life
To save the slogans
That hovers between the headstone and her eyes
For they penetrate her grieving

New love - a boy and girl are talking New words - that only they can share in New words - a love so strong it tears their hearts

To sleep - through the fleeting hours of morning

[CHORUS]

Love is careless in its choosing
Sweeping over cross a baby
Love descends on those defenseless
Idiot love will spark the fusion
Inspirations have I none
Just to touch the flaming dove
All I have is my love of love
And love is not loving

Soul love - the priest that tastes the word and Told of love - and how my God on high is All love - though reaching up my loneliness Evolves
By the blindness that surrounds him

[CHORUS]
