Starman

David Bowie

Goodbye love Didn't know what time it was the lights were low oh how I leaned back on my radio oh oh Some cat was layin down some rock n roll lotta soul, he said Then the loud sound did seem to fade a ade Came back like a slow voice on a wave of phase ha hase That werent no d.j. that was hazy cosmic jive

There's a starman waiting in the sky Hed like to come and meet us But he thinks he'd blow our minds There's a starman waiting in the sky Hes told us not to blow it Cause he knows it's all worthwhile He told me: Let the children lose it Let the children use it Let all the children boogie

I had to phone someone so I picked on you ho ho Hey, that's far out so you heard him too! o o Switch on the tv we may pick him up on channel two Look out your window I can see his light a ight If we can sparkle he may land tonight a ight Don't tell your poppa or hell get us locked up in fright
