

Underground

David Bowie

No one can blame you for walking away
Too much rejection
No love injection
Life can be easy

It's not always swell
Don't tell me truth hurts, little girl
'Cause it hurts like hell
But down in the underground

You'll find someone true
Down in the underground
A land serene
A crystal moon, ah, ah

It's only forever
Not long at all
Lost and lonely
That's underground
Underground

Daddy, daddy, get me out of here
Ha ha, I'm underground
Heard about a place today
Nothing never hurts again

Daddy, daddy, get me out of here
Ah ha I'm underground
Sister sister, please take me down
Ah ah I'm underground
Daddy, daddy, get me out of here

No one can blame you for walking away
Too much rejection
No love injection
But down in the underground

You'll find someone true
Down in the underground
A land serene
A crystal moon, ah, ah

It's only
It's only forever
It's not long at all
The lost and the lonely
That's underground

Underground
Daddy, daddy, get me out of here
Heard about a place today
Nothing never hurts again

Daddy, daddy, get me out of here
Ha ha, I'm underground
Sister, sister, please take me down
Ah ha I'm underground

Daddy, daddy, get me out

Wanna live underground
Wanna live underground
Wanna live underground
Wanna live underground

Wanna live underground
Wanna live underground
Wanna live underground
Wanna live underground

Daddy, daddy, get me out of here
Ah ha, I'm underground
Sister sister please take me down
Ah ha I'm underground
Ah ha I'm underground
Ah ha I'm underground

Daddy Daddy please
Daddy Daddy please
Wanna live underground
Wanna live underground
Wanna live underground
Sister sister take take me down
Sister sister take take me down
