What's Really Happening?

David Bowie

Grown inside a plastic box
Micro thoughts and safety locks
Hearts become outdated clocks
Ticking in your mind

[CHORUS]

What's really happening? what tore us apart?
What's really happening?
What's really happening?
what tore us apart?
What's really happening?

Now it's time to close our eyes Now it's time to say goodbye Now it's time to face the lie That we'd never cry

[CHORUS]

All the clouds are made of glass And they're slowly sinking Falling like the shattered past Were we built to last?

[CHORUS]
