

Within You

David Bowie

How you turned my world, you precious thing
You starve and near exhaust me
Everything I've done, I've done for you
I move the stars for no one

You've run so long
You've run so far

Your eyes can be so cruel
Just as I can be so cruel
Though I do believe in you
Yes, I do

Live without the sunlight
Love without your heartbeat
I, I can't live within you
I can't live within you

I, I can't live within you
