

# A Walk In The Dark

David Byrne

I'm takin' all your little toys away  
You don't have any say, so in your future  
The pretty colors and the shiny lights  
Do we just chase whatever we desire?

Oh, silent night  
Oh, holy night  
Sometimes you see me  
Sometimes you don't

You'll get to know me better  
After a walk in the dark  
The monster in the mirror  
We'll take a walk in the dark  
Ooh, we'll take a walk in the dark  
Ooh, we'll take a walk in the dark

I'm not afraid to close my eyes at night  
I'm not afraid of what my dreams will show me  
I saw a fish that had a human head  
I saw some things that I would like to show you

The broken glass  
The car's on fire  
Open the cages  
And set them free

Mine eyes have seen the glory  
I took a walk in the dark  
It ain't no bedtime story  
We'll take a walk in the dark  
Ooh, we'll take a walk in the dark  
Ooh, we'll take a walk in the dark

Ohh, who will help you now?  
Surrender, my love  
Let it all come down  
Burn, baby, burn

Now Jesus, Mary and the Holy Ghost  
Took one look and they said, "Hey, we're lost  
How the hell do we get outta here?"  
They shit their pants, they got so scared

So no matter who you are  
You need a walk in the dark  
The sweetest thing I ever saw  
I took a walk in the dark  
Ooh, we'll take a walk in the dark  
Ooh, we'll take a walk in the dark
