

# Buck Naked

David Byrne

Runnin' naked, down the state highway  
Runnin' naked, in the middle of the day  
Runnin' naked like a tom cat's behind  
Runnin' naked but the cat don't seem to mind

Give me your heart  
I'll give you mine first  
Give me your time  
And I'll give you my trust

And we're buck naked now  
Like when we were born  
When will we find out?  
And why does it take so long?

And we're buck naked now  
And we're buck naked now  
And we're buck naked now  
In the eyes of the lord

Runnin' naked like the day when I was born  
We're all naked in the land where I come from  
I'm a long long way from new york city now  
We're all naked - if you turn us inside out

And we're buck naked now  
We ain't got no clothes  
Bare assed for sure  
In the eyes of god

Naked in my heart  
Naked in my soul  
Well, how, how does it feel?  
Does anybody know?

Well we're naked inside  
You're naked too  
Well there's nothing to fear  
And there's nothing we can do

Well we're buck naked now  
Buck naked now  
Well we're buck naked now  
In the eyes of the lord
