Dialog Box

David Byrne

Picture this
Bumping lips
Everyone talks
Do a dialogue box

They shake and bake
Make a cranky face
They got rocks in the head
Got rocks in the bed

Pull the hood down Grab the fold out Is it too loud? Is it all right?

Makin' contact And you know that Need a tight fit To survive

Romeo
Said Juliette
Got a dialogue box
Hey look at me, that's my answer

All Sparkly white Shiny bright A genuine smile The Renegade style

Gonna heat 'em up And stir the pot bake it a while Then cool on the side

Tribulation Revelation Absolution Prophesized

I'm a rich man,
I'm a poor man
But the main thing
I'm alive

Lost in Space Cosmic haze Beautiful wreck Special effect

Clean and pure Swift and sure I'm ready to drop In a dialogue box

Decoration Innovation

My creation Any size

If you try it
And you like it
You can have it customized

Gonna test ya With a gesture Do I feel ya? Are ya scared?

In the darkness
In the details
At the movies
Or a play

All crinkled up Delirious Fall through the cracks In a dialogue box

With a smiley bump Gonna line 'em up And the question I ask

Hey look at me
That's my answer
