I Know Sometimes A Man Is Wrong

David Byrne

I know sometimes I can be wrong I know sometimes I do believe I know sometimes I can be wrong I'll be wrong until you're next to me I'll be wrong until you're next to me

I know sometimes the world is wrong I know sometimes I do believe I know sometimes the world is wrong They'll be wrong until you're next to me They'll be wrong until you're next to me
