

It's One Of Those Nights

David Cassidy

(The Partridge Family)

It's one of those nights
When you turn out the lights
And you sit in the dark
And say to yourself
"I miss her"

It's one of those moods
When your body broods
And you conjure up her picture
And you kiss her

It's one of those things
For the pain it brings
You say to yourself
"Hey couldn't I live without it?"
Well I think so
On the other hand,
I doubt it

Suddenly she's crashing through my mind
Like waves upon the shore
And I nod my head whoa yes love
I'd welcome you again
If you knocked upon my door
If you didn't I'd seek you out love
I'd track you down for sure
Like a thousand times before
Whoa yes love
I'd welcome you again
Like you know I've done before

Yes love
You know I did before
Yes love
You know I did before

So it goes
It's a cold in your nose
It's a pain in the neck
It'll make you a wreck
If it gets ya

It's so insane
Cuz for all the rain
When you ask yourself
"Could you do it again"
You betcha

I hear a voice say
"You got no chance"
And it makes me mad
And I shout
"Oh yeah who says so?"
Well of course not
On the other hand,

I think so

Suddenly she's crashing through my mind
Like waves upon the shore
And I nod my head whoa yes love
I'd welcome you again
If you knocked upon my door
If you didn't I'd seek you out love
I'd track you down for sure
Like a thousand times before
Whoa yes love
I'd welcome you again
Like you know I did before

Yes love
You know I did before
Yes love
You know I did before
Yes love
You know I did before
