

# She Knows All About Boys

David Cassidy

She's like a shark in water  
Moving through the city.  
She's looking for a boy  
Out to make a killing.  
Wallet full of plastic  
Pocket full of money  
She'll give a sign and he will call her honey.  
She knows all about boys  
And all the boys can't leave that girl alone.  
She knows all about boys  
And all the boys can't see that heart of stone.  
Just a little lonely boy keeping for a lover  
He puts his heart out on the line more than he oughta.  
He'll catch her eye  
She'll give him what he's after.  
He don't know it but he's headed for a disaster.  
She knows all about boys

...

She's done nothing but be born with that look  
And a passion to please.  
There ain't a boy she can't read like a book  
She can bring'em to their knees  
She can bring'em to their knees  
She gets ev'rything she needs.  
She's like a shark in water  
Moving through the city.  
She's looking for a boy  
Out to make a killing.  
Wallet full of plastic  
Pocket full of money  
She'll give a sign and he will call her honey.  
She knows all about boys  
And all the boys can't leave that girl alone.  
She knows all about boys  
And all the boys can't see that heart of stone.  
She knows all about boys  
And all the boys can't leave that girl alone.  
She knows all about boys  
And all the boys can't see that heart of stone.  
She knows all about boys -  
She knows all about boys -  
She knows all about boys -  
She knows all about boys -  
She knows all about boys  
And all the boys can't leave that girl alone.  
She knows all about boys  
And all the boys can't see that heart of stone.  
She knows all about boys -  
She knows all about boys -  
She knows all about boys -  
She knows all about boys -  
She knows all about boys -  
She knows all about boys.
