

# You Are Always On My Mind

David Cassidy

Wake up in the mornin' feelin' all right 'till I recall  
Gone from my life and I stare like a dummy against the wall  
Since you've been away, oh yes, I am uptight  
It's a fact of my life, I guess, I'll try to fight  
I could be so good for you if I had that right, if I had that right  
You are always on my mind  
If I got to go through this old life  
Day after day and find  
You there on my mind  
You are always on my mind  
If I got to go through this old life  
Day after day and find  
You there on my mind  
I don't understand you at all but I don't care  
Still a lot of good love in our lives for us to share  
You might think it's sad  
But I'm together now, yeah, you laugh, huh  
I know it's true I'm much better now  
You ought to come on by and see for yourself, just how  
Oh, I'm much better now  
You are always on my mind  
If I got to go through this old life  
Day after day and find  
You there on my mind  
You are always on my mind  
If I got to go through this old life  
Day after day and find  
You there on my mind  
You are always on my mind  
If I got to go through this old life  
Day after day and find  
You there on my mind
