Oh, tonight I'm feeling fine I'm alone, just wasting time No Friday movie nights
Or romantic candle lights

I'm just having conversations With the thoughts in my head All I hear are angels crying Oh, won't they just sing instead It would be wrong for me to say

I don't need that girl by my side I don't need that girl in my life I don't want to talk it out Or hold her when she cries

I don't want to say she's my kind
I don't want to say that she's mine
I don't want to tell her that
I love her more than life
More than life, Yeah
Love her more than life
Yeah, yeah, yeah

Honestly, this won't do
How is she doing?
I tell myself I'm feeling swell
But I know I'm such a fool

I could take it as a new beginning But you know I don't feel that way Who will take all this pain away? I know it's wrong for me to say

I don't need that girl by my side I don't need that girl in my life I don't want to talk it out Or hold her when she cries

I don't want to say she's my kind
I don't want to say that she's mine
I don't want to tell her that
I love her more than life
More than life, Yeah
Love her more than life
Yeah, yeah, yeah

Talk about a sin
Was the day I walked into the other side
I would run back in
I wouldn't waste no time
I know it's wrong for me to say

I don't need that girl by my side I don't need that girl in my life I don't want to talk it out Or hold her when she cries I don't want to say she's my kind
I don't want to say that she's mine
I don't want to tell her that
I love her more than life
More than life, Yeah
Love her more than life
Yeah, yeah, yeah
