

All Right Now

David Cook

Oh, whoah, whoah, yeah!
There she stood in the street
Smiling from her head to her feet
I said, "Hey, what's your name?"
Now, baby, baby, maybe she's in need of a kiss
I said, "Hey, what's your name?"
Now, baby, maybe we can see things the same
Now don't you wait or hesitate, no
Let's move before they raise the parking rate, yeah

(All right now, baby, it's all right now)
All right now, baby, it's all right now, yeah

Let me tell you now
I said, "Slow, don't go so fast
Don't you think that love can last?"
I said, "Love, Lord above, ohh
Now you're trying to trick me in love, yeah"

All right now, baby, it's all right now
All right now, baby, it's all right now

All right now, baby, it's all right now, yeah
(All right now, baby, it's all right now)
It's all right, it's all right now
