

Bar-ba-sol

David Cook

When I woke up, I could see The daylight had already passed me
It was such a fight to fade away to sleep
It's a fugue I'm on, falling to chase down the dawn
And I fell every night, as it turns into light with my eyes jus
t shut tight

Sailing all alone, thought I'd made it home
But I threw it all away

Oh where I've been, sold and spun again
All before me like a dream, fallin' in between
I feel sick, I feel nervous, I know just what I did to deserve
this
Oh I know it's not a dream

Keep it quiet, lay low, holdin' on to what I don't want to know
Til the daylight turns to ash and blows away
Missin' keys, bloody nose, consequences of what I chose
Keep runnin' into me, don't want my memory, it comes so deathly

Sailing all alone, thought I'd made it home
But I threw it all away

Oh where I've been, sold and spun again
All before me like a dream, fallin' in between
I feel sick, I feel nervous, I know just what I did to deserve
this
Oh I know it's not a dream

Oh where I've been, sold and spun again
All before me like a dream, fallin' in between
I feel sick, I feel nervous, I know just what I did to deserve
this

Oh I know it's not a dream

Oh where I've been, sold and spun again
All before me like a dream, fallin' in between
I feel sick, I feel nervous, I know just what I did to deserve
this

Oh I wish life was a dream
