

# Fade Into Me

David Cook

All I feel now is the weight of the day  
I need you with me to push it away  
When we disappear into each other  
Our colors appear and bleed into one

Fade into me, fade into you  
The two of us melting together  
Until we become something new  
And we can escape  
And watch the world chasing to find us  
Both of us hidden from view  
If you fade into me  
Fade into me

When I'm broken you're the one thing I need  
Like an ocean I feel you crash over me  
When we disappear into each other  
Our colors appear and bleed into one

Fade into me, fade into you  
The two of us melting together  
Until we become something new  
And we can escape  
And watch the world chasing to find us  
Both of us hidden from view  
If you fade into me

Let go, fall in  
Drown in the moment with me  
Sinking 'til we start to break

Fade into me, fade into you  
The two of us melting together  
Until we become something new  
And we can escape  
And watch the world chasing to find us

Oh fade into me, fade into you  
The two of us melting together  
Until we become something new  
And we can escape  
And watch the world chasing to find us  
Both of us hidden from view  
If you fade into me  
Fade into me  
Fade into me
