

Permanent

David Cook

Is this the moment where I look you in the eye?
Forgive my broken promise that you'll never see me cry
And everything, it will surely change even if I tell you I won't
go away today
Will you think that you're all alone
When no one's there to hold your hand?
And all you know seems so far away and everything is temporary
rest your head
I'm permanent

I know he's living in hell every single day
And so I ask oh god is there some way for me to take his place
And when they say it's all touch and go I wish I could make it
go away
But still you say
Will you think that you're all alone when no one's there to hold
your hand?
When all you know seems so far away and everything is temporary
, rest your head
I'm permanent
I'm permanent

Is the moment where I look you in the eye?
Forgive my promise that you'll never see me cry
