

# Time Of My Life

David Cook

I've been waiting for my dreams  
To turn into something, I could believe in  
And looking for the magic rainbow  
On the horizon, I couldn't see it

Until I let go, gave in to love  
Watched all the bitterness burn  
Now I'm coming alive, body and soul  
Feeling my world start to turn

And I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time, this is the time of my life  
The time of my life

Holding on to things that vanished  
Into the air, left me in pieces  
But now I'm rising from the ashes  
Finding my wings and all that I needed

Was there all along, within my reach  
As close as the beat of my heart

And I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time, this is the time of my life  
The time of my life

And now I'm out of the edge of forever  
Ready to run  
Keeping my feet on the ground, arms open wide  
Facing the sun

And I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time, this is the time of my life, my life

More than a name or a face in the crowd  
I know this is the time, this is the time of my life!  
This is the time of my life!  
The time of my life, the time of my life
