

# Breakdown

David Coverdale

Getting near the end, now I knew the time was right for a breakdown  
Megaton surprise but your eyes never made it a shakedown  
Shot you full of rock `n` roll, couldn't make your soul  
Didn't burn you to the bone  
Do what the man says, take the money and run

But, I never saw the splendor  
In stealing all your gold  
Taking all your silver  
And doing what I'm told

I never saw the tears but I knew you cried for rhythm `n` blues  
Screaming like a wildcat I knew that I had nothing to lose  
Shot you full of rock `n` roll, couldn't make your soul  
Didn't burn you to the bone  
Do what the man says, take the money and run

But, I never saw the splendor  
In stealing all your gold  
Taking all your silver  
And doing what I'm told

It's just a breakdown  
Breakdown

Shaking like a leaf in the wind see me blowing away  
Never see me fall on the ground till I've had my say  
Shot you full of rock `n` roll, couldn't make your soul  
Didn't burn you to the bone  
Do what the man says, take the money and run

But, I never saw the splendor  
In stealing all your gold  
Taking all your silver  
And doing what I'm told

It's just a breakdown
