

Peace Lovin' Man

David Coverdale

You changed your reason with the wave of your hand
Fill me with wonder, like a child
'Cause you'll never understand

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'Cause you're fooling yourself, and nobody else
It's a sin, if you carry it on

If you want to make love, ooh, you whisper my name
I say I never want to use you for your love
But you tail me, and you make it, all the same

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'Cause you're fooling yourself, and nobody else
It's a sin, if you carry it on

'Cause I'm a man
A peaceful lovin' man
And I'm so tired to hold it inside
When I feel, I gonna hide
Peace lovin' man,
Peace lovin' man
Peace lovin' man

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'Cause you're fooling yourself, and nobody else
It's a sin, if you carry it on

'Cause I'm a man
Ohh, baby, I'm a man

Peace lovin' man
Baby, I'm just a man
Peace lovin' man
I can't use you anymore

Peace lovin' man
