Waiting On You

David Coverdale

My heart is breaking, my whole life is shaking
Every way I turn, I know this love is gonna burn me
But, I´m waiting on you, no matter what you do

Ever since you went away, I suffer each an´ every day
And I can´t hide the heartache anymore
You left me all alone, just waiting by the telephone
Too scared to step outside this prison door

And I´m waiting on you
No matter what you say, no matter what you do
This heart is dedicated to you
´Til the rivers run dry and the sun no longer shines
I´m still gonna make you mine
I´m waiting on you, waiting on you

Ever since I started drinking, my ship´s been slowly sinking
So tell me what´s a man supposed to do
When people stop and stare and see me drowning in despair
´Cos it´s written on my face, what I´ve been going through

And I´m waiting on you
No matter what you say, no matter what you do
This heart is dedicated to you
´Til the rivers run dry and the sun no longer shines
I´m still gonna make you mine

I´m waiting on you, waiting on you
I´m waiting on you, waiting on you

My heart is breaking, my whole life is shaking
Every way I turn, I know this love is gonna burn
Love is gonna burn, love is gonna burn
Burn me, baby, burn, your love is gonna burn

Ever since you went away, I´ve suffered each an´ every day
An´ I can´t hide the loneliness no more
All the tears I´ve cried, all the love I´ve been denied
An´ still you find me waiting on you, baby, baby, babe

No matter what you say, no matter what you do
This heart is dedicated to you
´Til the rivers run dry and the sun no longer shines
I´ll be waiting on you, waiting on you
My heart is dedicated to you
An´ I´m waiting on you, waiting on you
No matter what you say, no matter what you do
This heart is dedicated to you
´Til the rivers run dry
I´ll be waiting on you, waiting on you
My heart is dedicated to you
An´ I´m waiting on you, waiting on you
No matter what you say, no matter what you do
My heart is dedicated to you
´Til the rivers run dry
I´ll be waiting on you, babe
