

Deja' Vu

David Crosby

If I had ever been here before I would pro'bly know just what t
o do
Hey, don't you?
If I had ever been here before on another time around the wheel
I would pro'bly know just how to deal
With all of you

And I feel like I've been here before
Feel like I've been here before
And you know it does make me wonder
What's going on under the ground

Do you know?
Don't you wonder?
What's going on
Down under you

Na, na, na...

We have all been here before
We have all been here before
We have all been here before
We have all been here before
