

Hero

David Crosby

It was one of those great stories
That you can't put down at night
The hero knew what he had to do
and he wasn't afraid to fight
Villain goes to ja----- il while the hero goes free
I wish it were that simple for me
And the reason that she loves him is the reason I love him too
And he never wondered what was right or wrong
He just knew he just knew
Shadows and shade mix together at dawn
But by the time you catch them simplicities gone
So we sort thru the pieces
my friends and I
Searchng thru the darkness to find the breaks in the sky
And the reason that she loves him is the reason I love him too
And he never wondered what was right or wrong
He just knew he just knew
And we wonder yes we wonder
How do you make sense of this
The hero kills the maiden with his kiss with his kiss

It was one of those great stories
That you can't put down at night
The hero knew what he had to do and he wasn't afraid to fight
Villain goes to ja----- il while the hero goes free
I wish it were that simple for me
