

## Can I Lie

David Crowder Band

Can I lie here in Your arms  
Can I lie here in Your arms  
My only calm is You  
Save me

Can I lie here in Your arms  
Can I lie here in Your arms  
My only thought is You  
Save me

Can I lie here in Your arms  
Can I lie here in Your arms  
My happiness is You  
Save me

Oh how lovely this place  
To be with You  
To be with You

Oh the brightness of Your face  
Here with You  
Here with You

Oh my only calm is You  
Oh my only thought is You  
Oh my happiness is You  
Oh my happiness is You

To be with You  
To be with You  
Save me
