

Can I Lie

David Crowder Band

Can I lie here in Your arms
Can I lie here in Your arms
My only calm is You
Save me

Can I lie here in Your arms
Can I lie here in Your arms
My only thought is You
Save me

Can I lie here in Your arms
Can I lie here in Your arms
My happiness is You
Save me

Oh how lovely this place
To be with You
To be with You

Oh the brightness of Your face
Here with You
Here with You

Oh my only calm is You
Oh my only thought is You
Oh my happiness is You
Oh my happiness is You

To be with You
To be with You
Save me
