

Can You Feel It?

David Crowder Band

Can you feel it?
Can you feel it?
The love in this place
Can you feel it?
Can you feel it?
Can you feel it?
The grace in this place
Can you feel it?
Yeah

Life makes it so hard sometimes
To know what's real
When I can't feel You there
When I can't see You there
When I can't comprehend that You are there
You are there
You're everywhere
You are everywhere

Can you feel it?
Can you feel it?
The hope in this place
Can you feel it?
Can you feel it?
Can you feel it?
The peace in this place
Can you feel it?
Yeah

When we can't feel You there
When we can't see You there
When we can't comprehend that you are there
You are there
You're everywhere
You are everywhere

Our God is here

We believe You're here
We can feel You here
We can see You here
We believe You're here
You are here
You are here
