

Oh My God

David Crowder Band

King of glory oh my Jesus Christ
Free me from what keeps me from your life
I can feel this heart beating inside
I don't know when I felt more alive

Oh my God, my God
Oh my God, my God

Let us pass oh Lord from death to life
Oh my God lead us into your light
Burning like a thousand suns at night
We'll sing your name until the end of time

Oh my God, my God
Oh my God, my God

Born all over again
Bring your rain and bring your wind
I'm born all over

Born all over again
Death will lose and we will win
I'm born all over
