

Shadows

David Crowder Band

Life is full of light and shadow
O the joy and O the sorrow
O the sorrow

And yet will He bring
Dark to light
And yet will He bring
Day from night

When shadows fall on us
We will not fear
We will remember

When darkness falls on us
We will not fear
We will remember

When all seems lost
When we're thrown and we're tossed
We remember the cost
We rest in Him
Shadow of the cross
