

We Win!

David Crowder Band

We're gonna shout loud, loud
Until the walls come down
Shout loud, loud until the walls come down
Loud, until the walls come down

Cause we've already won and you don't have a chance
Yeah we've already won and no, you don't have a chance
Yeah it's already done and you don't have a chance
Because we've already won
We have already won

We're gonna should loud, loud
Until the final sound
Shout loud, loud, until the final sound
Loud until the final sound
This is for glory, His glory
We have already won!
