

What A Miracle

David Crowder Band

Heaven love
With glory ringing
Fill the air
With angels singing

Earth take up
The heavenly cry
The Lord of All
Reigns on high

Earth below
And heaven above
Resound your glory
And your love

O King of Kings
Our Sacred Joy
What a miracle
You come for all

O what a miracle
You come for all
To save us all away

O what a miracle
You come for all
To lift us from the grave

O what a miracle
So wonderful
You're a miracle

A miracle
A miracle
A miracle
