

At Your Door

David Fonseca

I feel tired, I feel undone
I don't know what was I running from
I woke up and I saw a face
For a moment I thought that you were someone else
Someone real
I played a hero and played it tough
I did my best, I did enough
I stretched my arms around the sun
But they can't find you in this wilderness of hope
Like I wish they did

Now I'm standing at your door
Will you take me in once more?
Now I'm standing at your door
Will you take me in once more?

I feel calm and I feel safe
I'm all awake, unafraid
In the comfort of the dawn
All over the walls and rooftops of your town
I wrote your name

Now I'm standing at your door
Will you take me in once more?
Now I'm standing at your door
Will you take me in once more?
Cause I'm standing at your door
As these tears begin to pour
Now I'm back here at your door
Will you take me in once more?

ohh...

Are you the one,
Are you the one I've been waiting for

Are you the one,
Are you the one I've been waiting for

Are you the one,
Are you the one I've been waiting for

Are you the one,
Are you the one I've been waiting for
