

Our Hearts Will Beat As One

David Fonseca

When you walked in the room
Moving on Vaseline
Coated in petals and fuel
A cover of a magazine
Our bodies came to a halt
Our bodies turned into light
Well I don't know about you
But I want it, I want it, I want it, I want it
Tonight

I can picture you knocking on my door
Getting naked in the hallway
But hey, dressed would be as good
We're like the fish in the sea
We're like the birds and the trees
Don't want to lead
Don't want to follow
I want to love, love, love, love you tonight

I feel it
Our hearts will beat
as one

Oh Oh (4x)

I got a love that no love can break
I got a love and a love can shake
