

# There Is A Light

David Ford

take me out tonight  
well there's people and there's music and the young and life

and driving in your car  
oh please don't drop me home  
because I haven't got one anymore

take me out tonight  
oh take me anywhere  
I don't care I don't care I don't care

driving in your car  
I never never want to go home  
because it's not my home it's their home and I'm welcome no more

and if a double decker bus  
crashes into us  
to die by your side  
is such a heavenly way to die

and if a ten ton truck  
kills the both of us  
to die by your side  
well the pleasure, the privilege is mine

take me out tonight  
oh take me anywhere  
I don't care I don't care I don't care

and in the darkened underpass I thought oh god my chance has come at  
last  
and then a strange fear gripped me and I just couldn't ask

and if a double decker bus,  
crashes into us  
to die by your side  
is such a heavenly way to die

and if a ten ton truck  
kills the both of us  
to die by your side  
well the pleasure, the privilege is mine  
there is a light, never goes out  
there is a light, never goes out  
there is a light, never goes out  
there is a light, never goes out  
never goes out...
