## The Best Of Me

**David Foster** 

So many years gone, still I remember How did I ever let my heart believe in one who never gave enough to me And so many years gone,love that was so wrong I can't forget the way it used to be and how you changed the taste of love for me

You were my one more chance I never thought I'd find you were the one romance I've always known in my mind No one will ever touch me more and I only hope that in return I might have saved the best of me for you

And we'll have no ending if we can hold on and I think I've come this far because of you could be no other love but ours will do

You were my one more chance I never thought I'd find you were the one romance I've always known in my mind No one will ever touch me more and I only hope that in return I might have saved the best of me for you

No one will ever touch me more and I only hope that in return No matter how much we have to learn I saved the best of me for you
