All your life you've waited For love to come and stay And now that I have found you You must not slip away

I know it's hard believing
The words you've heard before
But darlin' you must trust them
Just once more

'Cause baby, goodbye doesn't mean forever
Let me tell you goodbye doesn't mean we'll never be together ag
ain
If you wake up and I'm not there, I won't be long away
'Cause the things you do, my goodbye girl, will bring me back t
o you

I know you've been taken
Afraid to hurt again
You fight the love you feel for me
Instead of giving in

But I can wait forever A-helping you to see That I was meant for you And you for me

So remember goodbye doesn't mean forever Let me tell you goodbye doesn't mean we'll never be together ag ain Though we may be so far apart you still will have my heart

'Cause now you're home at last

So forget your past, my goodbye girl
