Make It With You

David Gates

Hey, have you ever tried Really reaching out for the other side? I may be climbing on rainbows But, baby, here goes

Dreams, they're for those who sleep Life is for us to keep And if you're wondering What this all is leading to?

I want to make it with you I really think that we could make it, girl

No, you don't know me well In every little thing only time will tell If you believe the things that I do And we'll see it through

Life can be short or long Love can be right or wrong And if I choose the one I'd like to help me through

I'd like to make it with you I really think that we could make it, girl

Baby, you know that dreams, they're for those who sleep Life, it's for us to keep And if I choose the one I'd like to help me through

I'd like to make it with you I really think that we could make it, girl
