

On An Island

David Gilmour

Remember that night...
White steps in the moonlight
They walked it too...
Through empty playground, this ghost's town
Children again on rusting swings getting higher
Sharing a dream
On an Island.... it felt right
We lay side by side,
Between the moon and the tide
Mapping the stars for a while

Let the night surround you
We're half way to the stars,
Ebb and flow
Let it go, feel her warmth beside you

Remember that night,
The warmth and the laughter
Candles burn...
Though the church was deserted
At dawn we went down through empty streets to the harbour
Dreamers may leave, but they're here everafter...
Da da da da da....

Let the night surround you
We're half way to the stars,
Ebb and flow
Let it go, feel her warmth beside you
