

# Forever Is Tomorrow Is Today

David Gray

Tuesday my heart is brimming  
Im a child in the wild wind  
Dead leaves and daylight dimming  
No beginning and no end  
Inside a candle of defiance  
Moonlight  
A river of pearls

Cause were going to need more  
Than money and science  
To see us through this world

You say it cant be done  
Youd rather die of fun  
Get out of the way  
For me for you for everyone  
Forever is tomorrow is today

Shut all the windows  
Shut all the doors  
Were keeping it all out of sight  
Were keeping it all  
Its tearing us apart  
You dont know your good  
From your bad from your black  
From your blood from your wrong  
From your right  
So you camouflage your heart

I dont want no other distractions  
Theres too much here to see  
Faint hearts or jaded reactions  
Contraptions of history

You say it cant be done  
Youd rather die of fun  
Get out of the way  
For me for you for everyone  
Forever is tomorrow is today

Shut all the windows  
Shut all the doors  
Im keeping it all out of sight  
Im keeping it all  
Its mine and mine alone  
Corrosion collision  
I need a vision  
To tear off the cloak of the night  
And shatter eyes of stone

You say it cant be done  
Youd rather die of fun  
Get out of the way  
For me for you for everyone  
Forever is tomorrow is today  
Forever is tomorrow is today  
Forever is tomorrow is today
