You're the World to Me

David Gray

Started talkin' then the line went dead
Never heard a single word you said
Babe I said I'd give my right arm
Every day that I decide on

Baby, baby, you're the world to me

I woke up, the room was cold
You're lookin' tired, feelin' old
Cursin' all the changes I've to say

The more I cursed into the flood
The less it seemed to do me good
Clearer became my mind I could say

Baby, baby, you're the world to me

My head is roarin' like a waterfall
Give me everythin' or none at all
You don't have to turn the sound up
Babe, I want you from the ground up

Baby, baby, you're the world to me
Baby, baby, you're the world to me

Baby, baby you're the world to me
Baby, baby you're the world to me

You don't have to turn the sound up
Babe, I want you from the ground up

Baby, baby, you're the world to me

Iridescent like a starlet
Won't you be my little darlin'?

Baby, baby, you're the world to me
Baby, baby, you're the world to me
Baby, baby, you're the world to me
