

# Baby When the Light

David Guetta

In spite of all the consequence  
In spite of all my pride  
In spite of little things you said  
That hide me deep inside

I believe your love, I breathe your love  
Like the air in the morning  
I sleep your love, I salute your love  
And I can't get away

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you

The lights of all you see  
You could have overcome all this  
And I still can't get over you  
Are you someone I'll forever miss

I believed your love, I can feel your love  
And it's all that I wanted  
I sleep your love, I salute your love  
And I can't get away

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you

And there's the dark begins to rain  
The sound is heavy on me  
Baby, when the lights go out  
I need you

Under the spell  
I wanna be under your touch  
Under the spell  
I wanna be under the rush

Baby, when the lights go out  
Baby, when the lights go out

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you

Baby, when the lights go out  
I hear you calling, I hear you calling  
Baby, when the lights go out  
I need you
