

# What I Did for Love

David Guetta

Talking loud, talking crazy  
Lock me outside  
Prayin' for the rain to come  
Bone dry again  
Guess it's true what they say  
I'm always late  
Say you need a little space  
But I'm in your way

It hurts, that I remember every scar  
And I've learned  
But living is the hardest part

I can't believe what I did for love  
I can't believe what I did for us  
Passionately burning to flames  
Stitch myself up, then I do it again  
I can't believe what I did for love  
What I did for love

What I did for love (8x)

I'm a fool for your games  
But I always play  
Can't admit it was a waste  
Just too much at stake

It hurts, that I remember every scar  
And I've learned  
But living is the hardest part

I can't believe what I did for love  
I can't believe what I did for us  
Passionately burning to flames  
Stitch myself up, then I do it again  
I can't believe what I did for love  
What I did for love

What I did for love (6x)

I can't believe what I did for love
