

# Born To Be Wild

David Hasselhoff

Get your motor running  
Head out on the highway  
Lookin' for adventure  
In whatever comes our way  
Here and God are gonna' make it happen  
Take the world in a love embrace  
Fire all of your guns at once and  
Explode into space

I like smoke and lightning  
Heavy metal thunder  
Racin' with the wind  
And the feeling that that I'm under  
Here and God are gonna' make it happen  
Take the world in a love embrace  
Fire all of your guns at once and  
Explode into space

Like a true nature's child  
We were born born to be wild  
We can climb so high  
I never want to die  
Born to be wild  
Born to be wild
