

# Days Of Our Love

David Hasselhoff

Baby - now don't you cry  
Think what tomorrow will bring  
We don't have everything money  
Can buy  
But I wouldn't change everything ...

Baby - when you hold me tight  
I feel the rhythm of love  
The power and the glory  
Everytime you call my name  
For the rest of my life I'll remain

These are the days of our love  
And we'll stand together  
The test of time  
And forever you'll be mine  
These are the days of our love  
I wanna walk right beside you  
For all my life  
These are the days of love ...

Baby - when you touch my hand  
I feel the wings of a dove  
A halo 'round a candle  
And a flame that never dies  
As I lift up my eyes - I can see ...

These are the days of our love  
And we'll stand together  
The test of time  
And forever you'll be mine  
These are the days of our love  
I wanna walk right beside you  
For all my life  
These are the days of love ...

These are the days of our love  
Cause your dreams are my dreams  
Even when I sleep  
There's a river runs through me  
And the river runs deep ...

These are the days of our love  
And we'll stand together  
The test of time  
And forever you'll be mine  
These are the days of our love  
I wanna walk right beside you  
For all my life  
These are the days of
