Fallin' In Love

David Hasselhoff

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

I could never see
What fate had planned for me
And then you came
And made my dream

This man's reality, maybe you can see All the things you meant to me But my simple fate is at the gate And girl you've got the key

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

It seems like yesterday
You and I first felt this way
But now I know our love can grow
In each and every day

We lay at midnight's hour And feel love's hidden power So strong and bold as love unfolds It's mystery to me

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

baby
Fallin' in love again

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

Baby, baby fallin' in love Fallin' in love again Baby, baby fallin' in love Fallin' in love again

Baby, baby fallin' in love Fallin' in love again...
