

# Hands Up For Rock'n Roll

David Hasselhoff

When life is getting to me  
I'm sad and gloomy  
All I have to do is play some rock'n roll  
If I am down and fed up  
And there's no let up  
I can always cure it with some rock'n roll  
When I wanna party and I wanna have some fun  
Rock'n roll will always be my number one

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Come on let's get together  
And rock forever  
Can you feel the rhythm in your heart and soul  
Turn up the amplifier We need it higher  
Ev'rybody wants to dance to rock'n roll  
We are gonna party we are gonna have some fun  
Rock'n roll will always be our number one

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Rock'n roll ... rock'n roll  
Hands up ev'rybody  
Hands up for rock'n roll

Rock'n roll ... rock'n roll
