

# Heyla Heyla

David Hasselhoff

We sing heyla heyla heyla - hey  
We sing heyla heyla - hey  
Hey - ho  
Singing heyla heyla heyla - ho  
Hey - ho  
Heyla heyla heyla - hey  
Everybody feels ok

It's a beautiful day  
No more hard it's a pain  
No more crying in the rain  
Makes me feel good  
Take my heart, take my soul  
Take me everywhere you go  
Show me how to loose control  
Make me feel good

We sing heyla heyla heyla - hey  
All the part of people feelin' ok  
Now, move to the left and move to the right  
Shake your body, let me feel alright  
Here we go, here we go, we'll go with the flow,  
Everybody sing heyla - ho  
Boom shakkalak, boom shakkalak - hey  
Come on everybody, let me hear you say hey  
The party's fellys gettin' stronger  
Oh oh oh oh  
Everybody's jammin' and everybody's singing

Heyla heyla heyla - ho  
Hey - ho  
Heyla heyla heyla - hey  
Singin' heyla heyla heyla - ho  
Hey - ho  
Heyla heyla - hey  
Everybody feels ok

As I walk in the sun  
Time for love, time for fun  
I can feel the good times come  
Makes me feel good  
There's no time to feel blue  
Let that sunshine down on you  
'cause your smile is the clue  
To make me feel good

We sing heyla heyla heyla - hey  
All the part of people feelin' ok  
Now, move to the left and move to the right  
Shake your body, let me feel alright  
Here we go, here we go, we'll go with the flow,  
Everybody sing heyla - ho  
Boom shakkalak, boom shakkalak - hey  
Come on everybody, let me hear ya say hey  
The party's fellys gettin' stronger  
Oh oh oh oh  
Everybody's jammin' and everybody's singing

Heyla heyla heyla - ho  
Hey - ho  
Heyla heyla heyla - hey  
Singin' heyla heyla heyla - ho  
Hey - ho  
Heyla heyla - hey  
Everybody feels ok

Heyla heyla heyla - ho
