

Highway To Your Heart

David Hasselhoff

Looking for some inspiration
Driving through the night
Listening to my favorite station
Truck stop sea of light
Keep singin na na na na
Na na na na
Keep singin na na na na
Won't let go...

High, high, highway to your heart
On the high, high, highway to your heart
As I fly, fly, fly to you
I swear I'd die for you
I'm so torn apart
Highway to your heart

Passion keeps the wheels a turning
Love's in overdrive
I can feel my body burning
You make me feel alive
Keep singin na na na na
Na na na na
Keep singin na na na na
Won't let go...

High, high, highway to your heart
On the high, high, highway to your heart
As I fly, fly, fly to you
I swear I'd die for you
I'm so torn apart
Highway to your heart

Do you feel the power
In the midnight hour
Do you feel the heat, come on let's go...

High, high, highway to your heart
On the high, high, highway to your heart
As I fly, fly, fly to you
I swear I'd die for you
I'm so torn apart
Highway to your heart

High, high, highway to your heart
On the high, high, highway to your heart
As I fly, fly, fly to you
I swear I'd die for you
I'm so torn apart
Highway to your heart
